### 4. Protocol of going to the Hospital

You can go to the IIT Goa dispensary or admin block in office hours, in case of emergencies too! (you may call the landline and confirm if it is open). It is recommended that you go to the Dispensary, and not the Hospital directly during Office hours (unless really necessary).

In case, you need to visit the Hospital at nights/non-office-hours:

**Call the Admin Block Security guard**, he/she is supposed to arrange the ambulance.

call the landline and ask them to arrange a vehicle to the hospital.

**Take your ID card** with you, to the hospital.

In case you have an appointment with a doctor, outside IIT Goa,

if it is referred by the nurse, she usually arranges the transport, but, just in case, remind her.

else, you can write to [transport@iitgoa.ac.in](mailto:transport@iitgoa.ac.in) or to the nurse at [medical@iitgoa.ac.in](mailto:medical@iitgoa.ac.in)

please don't procrastinate, drop a mail as soon as an appointment is made!
