Agenda of the Meeting

Director's address, general discussion on the current issues and some announcements.

Minutes of the Meeting

1. Meeting began with the introduction of newly elected student council members and the address by Director Sir.
2. Stay at the hostel and the lifestyle of the students should not affect other students and they can always approach authorities regarding issues, all the issues can be resolved collectively.
3. It was informed that the shipping containers being used for hostel construction may be modified and used for student activity purposes (Music room). Also no more construction in the hostel campus would be encouraged henceforth as we are in a temporary campus.
4. All students have to vacate their rooms before going home for vacation as the rooms will be used by interns coming to IIT Goa. Also, some maintenance work has to be done in the rooms which cannot be done during an ongoing semester.

5. It was informed that a cloak room would be made available where the belongings (including mattresses, buckets etc.) of the students can be kept during the vacation.
6. The students were convinced that their personal belongings will not be used by the interns.
7. It was informed that rooms may be reallocated next semester, it will be finalized after further discussion.
8. Students violating the hostel rules will be fined henceforth according to the ready fine menu. The occurrences of unlawful activity of any kind within the hostel premises will attract strict action.
9. All students MUST acclimatize themselves with the hostel rules.
10. It was brought to notice that unauthorized people (guests, parents etc.) are not allowed to stay in the hostel. This is not acceptable and disciplinary action will be taken against students involved.
11. Students are encouraged to inform the authorities about any misconduct in the hostel.
12. Due to restriction imposed by GEC for safety of students, no student will be allowed entry in the hostel after 11:00 pm, students will be allowed to go out only under special circumstances. Students have to take prior permission from the wardens under such situations.
13. Students are supposed to carry their id-card all time, there will be strict checking, and the students found without id-cards will not be allowed to enter the hostel.
14. It was informed to the students that some reading rooms will be incorporated inside the hostels.
15. It was brought to notice that the medical facility at the hostel should be available 24/7, more medical officers should be recruited.
16. It was advised by the Director sir that students should take all necessary steps to stay healthy and therefore avoid visiting the medical.
17. Night canteen has been sanctioned and will be started soon.
18. Sports and Cultural council were informed to submit their plans for the next academic year.
19. Meeting ended with Thanks to the chair person and to all the members.
